I have updated the attached spreadsheet.

Center for Wellness, Center for Health Stats, Informatics, Partnerships for Health Improvement, and the former Senior Deputy Admin are reported under Health Improvement.

The figures reflects the number of employees, excluding temps. I have attached my spreadsheet showing the breakdown. Please let me know if you would like me to make any adjustments.

Subject: FTE Numbers - Short Notice

I apologize for the short notice, but we just found out we need to have the attached document updated to the Senate this afternoon. Would it be possible for you all to look at the FTE numbers and update them? Is this doable on such short notice?

Thank you!
